(1) Actual outlay.

Mangalore	4 Sub-Inspectors quarters	8936-0-
Sullia	1 Sub-Inspectors quarters	2138-0-
Kundapur	do	1949-0-
		13023-0-

(2) The quarters are not based on any type design plan

(3) The district Supdt. of Police, South Kanara failed to provide for these items in the original estimates - presumably by oversight. It is also not a matter for the Kisana Dept. technicians.

2. It is not clear whether the expenditure of Rs 122-8-0 for the provision of bamboo mat tatties for the 4 Sub-Inspectors Quarters at Mangalore, sanctioned in G.O. No. 448 Judl (Pol) dt 26-8-1924. has been included in the actual outlay of Rs 8936-0-0 reported above. The file may be returned to Finance with the above remarks

Imp: Improvements to Police Sub Inspectors Quarters at Mangalore, Sullia & Kundapur

	Rs
Present Capital Cost of the Quarters (6)	13,146
Permissible outlay based on 10 p.c. of the average pay of a Sub Inspr. (Rs 98¼)	8322

Rs
13023 (New 10% & 5% rents)
122½ (Para 2 on 5% rents)
13145½

at Rs 1387 for each Quarters [allowing 6 p.c. for interest & ½ p.c. for repairs]

It the present Capital Cost is already in excess of the permissible outlay and any further additions to the Capital Cost requires strong justification.

2. The improvements now proposed are said to be quite necessary to make the Quarters habitable. If so, they should have been foreseen at the time when the original estimates were submitted for the sanction of Govt. What has really happened is that the cost of the work was originally kept as low as possible and there was no difficulty in obtaining the sanction of Govt. Having completed the work, proposals for additions to the works already completed are now brought forward and it is stated that the Quarters cannot be occupied before the latrines are provided. Thus the hands of Govt. are forced to the additional expenditure.
